

# AETNA 2023 CERTIFICATION

2023 certification for Aetna MA/MAPD and SilverScript PDP begins June 29.

Are you planning to sell individual Aetna MA/MAPD or SilverScript PDP products this AEP? Certification is the first step to becoming ready-to-sell, so plan to certify early!

You'll be able to access the 2023 certification options starting June 29 at [AetnaMedicareProducerCertification.com](https://www.aetna.com/medicare/producer/certification)

## WHAT'S NEW?

This year, there will be two certification options to choose from.

AHIP Medicare training

### **Certification option #1**

- This option includes AHIP Medicare training, along with several Aetna-specific training courses (available in English and Spanish).
- AHIP Medicare training is discounted if taken directly through [AetnaMedicareProducerCertification.com](https://www.aetna.com/medicare/producer/certification).
- Cost \$125

Aetna/SilverScript-only training

### **(New) Certification option #2**

- This new option allows you to bypass the AHIP Medicare training component and complete an alternative Aetna/SilverScript-only training instead, along with several Aetna-specific training courses (available in English and Spanish).
- This no-cost certification option is for agents who want to sell *only* Aetna MA/MAPD or SilverScript PDP products, exclusively.
- Cost: \$0.
